

So I'm goin' live it long									
My own, on my own									
So I'm goin' live it long									
My own, on my own									
So I'm goin' live it long									
<b><u>CHORUS 5</u></b>									
Whenever you decide to run from me									
Make sure you far gone									
Just know you ain't goin' take no'n from me									
Cos I'm good on my own									
Cos all them things you done done to me									
Have only made me strong									
This life they gave just one for me									
So I'm goin' live it long									
My own, on my own									
So I'm goin' live it long									
My own, on my own									
So I'm goin' live it long									
My own, on my own									
So I'm goin' live it long
